Invoice System Project

11/2014-3/2015

HTML, CSS, MySQL

- Built next-generation web applications with a focus on the client side
 - Assisted in designing back-end structures of new invoice application
 - Reduced 80% of errors of old invoice system
-

Education

Northeastern University, Boston, MA

Master of Professional Studies in Informatics, GPA:3.7

1/2017-7/2018

- Customized Concentration: Web Application development, Computer System and Network, and Information System Design and Development, IT Infrastructure

Soochow University, Taiwan

Master of Business Administration, GPA:3.9

9/2011-6/2013

Chinese Culture University, Taiwan

Bachelor of Science in Information and Communication

9/2006-6/2010

Concentration: Multimedia and Web Design

Work Experience

Institute for Information Industry, Taiwan

Contract employee

5/2015-8/2015

EZTABLE, Taiwan

Associate Product Manager

8/2014-3/2015

National Taiwan Normal University, Taiwan

Project Assistant

8/2013-7/2014

Professional Training

Massive Open Online Course

Object-Oriented Design, Data Structures, Code Clinic: Java, Design Patterns, Advanced Java Programming, Java: Database Integration with JDBC, Practice Java by Building Projects, Learning Java Applications. Practical Data Structures & Algorithms in Java + HW, Data Structures and Algorithms: Deep Dive Using Java, The Complete Android & Java Developer Course - Build 21 Apps, Build a Post-of-Sale System in Java, Data Structures and Algorithms in Java for Coding Interview, The web developer bootcamp
